Baldwinsville Central School District
Pelcher - Arcaro Stadium

Due to Construction - Home Facilities Information

IMPORTANT PLEASE REFER TO THE MAP PROVIDED ON PAGE #2 to help you with the following information.

For Buses:

Please enter campus off of East Oneida Street by the electronic message board entrance. Have buses follow the **YELLOW** lines on the map and have them drop off teams at the **Yellow Star outlined in Black**. This is the paved walking path to the stadium. At that time the driver can park in one of the **BLUE** designated parking areas. As a reminder please make sure that your coaches have the bus driver's phone # in the event of an emergency. Please use this drop off area as the pick-up spot after the game.

Spectator Information:

The two **GREEN STARS outlined in WHITE** on the following map indicate the only two points of entry into Pelcher/Arcaro Stadium.

Parking is available in the lots outlined in **BLUE**. There is **NO PARKING** in the lots or along the roadways outlined in **RED**.

Important Threat Detection Information:

We use metal detectors at our stadium entrances. Every spectator will be required to go through threat detection. There will be no exceptions to this. Please plan ahead and allow extra time to get through threat detection on game days.

Students are **NOT** allowed to bring bookbags into the stadium. For adults it is highly recommended to have belongings in a one-gallon clear plastic storage bag or a 4.5" x 6.5" bag/clutch or small purse that may be searched.

NO alcoholic beverages will be allowed on school grounds and NO beverages will be allowed to be carried into the stadium. Smoking is prohibited on any of the school grounds. No one is allowed on the field prior, during, or after the game except players, coaches, game officials and school officials.

Ticket prices: We do not charge for our games.

Concession Stand: Booster clubs run the concession stand for the season.

Bathrooms: Are located at the concession stand.
