

Parents/Guardians,

We are excited to announce we are now offering the convenience of online registration through partner company, FamilyID (www.familyid.com).

FamilyID is a secure registration platform which provides you with an easy, user-friendly way to register for our athletic programs, and helps us to be more administratively efficient and environmentally responsible. When you register through FamilyID, the system keeps track of your basic demographic information for the entire family. You will need to amend grade level and upload a physical with every registration. Everything must be completed online.

BEFORE YOU REGISTER

PHYSICAL EXAMS: A physical exam must be current within the past 12 months and signed by the physician. We have not received any notification for a variance at this time, and providers' offices are looking forward to seeing kids back in their offices and providing a continuity of care that is not available at a walk-in clinic. An example of an up to date sports physical would be: if the sport starts on 8/14/21, the physical must be after 8/01/20.

PLEASE NOTE: It is your responsibility to provide the physical copy or upload into Family ID. The physical must be uploaded into Family ID every season.

INFORMATION NEEDED TO REGISTER

It will be helpful to have the following information handy to allow for accurate completion of your online registration:

- *Primary care physicians information*
- *Copy of most recent physical*
- *Copy of form signed by your physician if your athlete has been diagnosed with Covid-19 (Athletic Covid-19 clearance form in the left column on the Athletics page)*
